

Hi!

I'M MRS. SPIERING

Teaching is an *absolute* passion of mine. I am very excited to spend the year with you and be able to get to know you more and more every day. I hope you are having a great summer so far and are enjoying the warm summer days!

As most of you know I am married and have 2 children. My husband works at Leshar Cabinets. My daughter *Terley* is 7 years old and will be in First Grade this fall. *Anigsten* is almost 6 years old and will be in Kindergarten this year. They keep me busy all summer and I enjoy having that opportunity with them. We like to spend our days at the pool, going for bike rides around town, playing with friends, and spending LOTS of time at our family lake cabin.

I enjoy reading, working on crafts and painting during the summer. We are planning a trip to the Omaha Zoo this year, and maybe a Twins game.

This year will be my *eleventh* year teaching! I honestly can't believe it has been that long already. I guess time flies when you are having *FUN!* I really do love teaching, and every day being different. I am very excited to start the year and teach you SO all that you need to know for 3rd grade.

See you soon!!!
